Lions Ask Village To Run Swim Pool

Amundsen To Head Zoning

The Antioch Lions Club has decided to ask the village of Antioch if it is interested in taking over the operation of its swimming pool.

Representatives of the club and the village will meet at 7 p.m. Monday to discuss the possibility. It will be a committee meeting at the village hall and trustee William H. Seemann has asked as many village officials as possible to attend.

IN ANOTHER announcement at Monday's village board meeting, Donald H. Amundsen of 508 First St. was appointed by Mayor Robert C. Wilton to become chairman of the Zoning Board of Appeals.

The trustees agreed unanimously.

"You won't find anyone more conscientious," said Seemann.

Amundsen, presently on the village planning commission, will take over Oct. 1, replacing Grant Spong, who is retiring from Quaker Industries and moving to Memphis, Tenn.

THE VILLAGE board also decided to spend \$579 to build a fence on the west side of the tennis courts in Jensen Park. The fence is needed, Seemann said, to keep youngsters from

BAR-B-Q, DANCE and AUCTION

Rotary's Big Event Is Saturday Night

One of those fun-filled events that Antioch is famous for will be held Saturday night at St. Peter's social center.

It's the Antioch Rotary Club's annual Country Bar-B-Q and dance, including a fascinating Flea Market Auction.

Barbecued pork chops will be served from 6 to 9 p.m. Members of the Rotary club

have been selling tickets all over the area, and they also will have some available at the door on Saturday night.

The cost is \$7 per person and proceeds will be used by the Rotarians for worthy projects in the Antioch community.

THE AUCTION, conducted by the well-known Herman Behm, will last from 7 to 9 p.m. The Rotarians have been collecting unique and valuable auction items and antiques for three months. Many fascinating items will be on display and for sale.

An advertisement appears in today's Antioch News, telling where tickets are being sold.

Wives of Rotarians will be on duty Saturday night, wearing

Plan Banquet

The State Bank of Antioch's women's golf league has ended its season and will hold its banquet Friday, Sept. 26, at 6:30 p.m. at Antioch Country Club.

long skirts and aprons in the "spirit of '76." You'll be able to tell the Rotary club members - they'll be wearing red, white and blue.

Music and dancing is planned following the auction. Dress casually - it will be an informal

evening of fun and entertainment.

TM Lecture

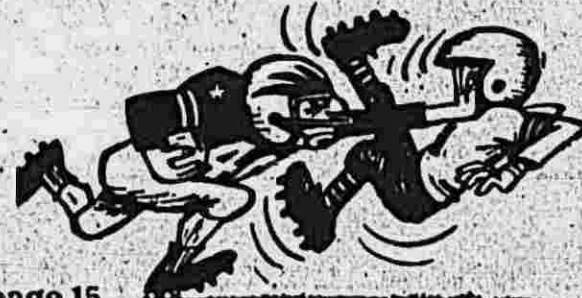

The International Meditation Society will present an introductory lecture at 7 p.m. on Tuesday, Sept. 23, at Antioch Township Library.

The board heard a review of its annual audit by William Froehlich, an accountant from Crystal Lake.

"The village of Antioch is fiscally sound," Froehlich said, "because of the close controls you continue to exercise."

Mayor Wilton welcomed trustee J. Irving Walsh back to the scene. Walsh had missed several meetings because of illness.

Chamber Plans Contest: Paint a Fire Hydrant

Beginning Wednesday, Oct. 1, the Antioch Chamber of Commerce and Industry will sponsor a contest to paint the village fire hydrants in a bicentennial theme.

A \$200 cash prize will be offered for the best hydrant. Groups or individuals are eligible to enter.

In order to be considered for a prize, you must register with the chamber office which will assign a hydrant to you.

Along with your hydrant assignment, you will receive instructions about where to pick up red, white and blue paint, supplied by the Chamber office free-of-charge. If your design requires additional colors, you will have to supply them at your own expense.

To register, fill in the coupon below and send it to: ANTIOCH CHAMBER OF COMMERCE, Fire Hydrant Contest, P.O. Box 293, Antioch, 60002.

APPLICATIONS MUST BE RECEIVED NO LATER THAN OCT. 15 and work must be completed by Oct. 31 for judging.

Jaycees Still Softball Kings

The Antioch Jaycees scored another softball victory last week, beating a team of Pickard China employees 29-10.

Both teams put up \$25 and the total will be donated to a local cause, according to the Jaycees, who now own the \$50.

The Pickard firm used some of its female employees in the "fun game" and embarrassed the Jaycees by actually getting some of them on base.

John Headburg hit two home runs for the losers, but Tom Owens hit three of them for the Jaycees' Mark Crawford and Glen Hendrickson also homered.

A post-game celebration was held at the Norshore Resort. The Jaycees, who recently beat the Rotary Club and the Firemen, now are challenging the Rescue Squad.

BARRY GOLDWATER

Most Miserable Performance

By SEN. BARRY GOLDWATER

There is grave concern over just how many major program improvements engineered by Washington bureaucrats the republic can stand.

The last one billed as a major improvement has cost the American taxpayers \$403 million in overpayments since it was inaugurated in January of 1974. The problem is called Supplemental Security Income and was promoted as a "major improvement" over state adult welfare programs.

The overpayments went to blind, disabled and elderly recipients. Conservative esti-

13,230 cases, it was found that 10.3 percent were overpayments, 6.7 percent were underpayments and 6 percent were payments to persons who were ineligible. Most of the trouble seems to involve initial claims - those new cases processed by Social Security since state welfare rolls were federalized.

Needless to say the bureaucrats are hard at work trying to put a good face on what amounts to the most miserable federal performance in many years. For example, Robert P. Bymun, the agency's associate commissioner for program operations, tried to claim the rate of error was only 3 percent. Here's how he did it:

HE TOOK the \$403 million figure, subtracted \$57 million he claims the agency has collected from clients with overpayments; then he subtracted \$34.9 million worth of underpayments and then he subtracted \$26.6 million in cases where the government had given up all attempts to get its money back.

After all that he was quoted as saying:

"When you look at the figure \$285 million and compare it to the almost \$8 billion paid out to date in this program, it comes out to something like 3 percent."

And that's the way things are in bureaucratic Washington.

mates claim they may total nearly a billion dollars by the time the Social Security Administration finishes re-examining its 4.2 million cases.

THIS VAST mistake is being blamed on the bureaucrats' newest scapegoat for errors - the computer. In the administration's review thus far, money errors have been turned up in 23 percent of the cases reviewed. Of a sampling of

WE NOTICE that the village is planning its Bicentennial celebration Sunday, Oct. 12, which incidentally happens to be the birthday of former state legislator Bill Murphy.

But Mr. Murphy would like to point out that it definitely is not his 200th birthday. The whole thing is just a coincidence.

I LIKE comic Rodney Dangerfield's lines about how unpopular he was as a youngster.

"When I'd ask my father if I could go ice skating, he'd say, 'Wait till it gets warmer.' And when us kids would play hide and seek, the others wouldn't even look for me."

THE BEST SHOT we saw at the Democrats' Golf Day in Mundelein last Wednesday was Mike Haley's drive on the 320-yard 18th hole. The ball stopped only 20 yards from the green.

There were a lot of Republicans joining the Democrats in the day of fun. One remarked:

"I sure hope I don't get a hole-in-one. It would wind up in the newspapers and people would know I was out celebrating with Democrats."

Couldn't We Wait Another 200 Years?

Illinois schools no longer are inching -- or even centimetering -- their way toward conversion to the metric system.

Schools have been in earnest to meet the State Board of Education's 1980 deadline for full conversion to teaching the metric system "as the official instructional system of measurement throughout all phases of public education in Illinois."

Most Illinois school children have already been introduced to metrics in their math or science classes.

"Today's kindergartners will be graduating into a world which no longer measures by feet and pounds, but by meters and liters.

The U.S. is the only major nation which neither

Bicentennial Celebration Set for Oct. 12

A celebration is planned on Sunday, Oct. 12, designating Antioch as a Bicentennial community.

The event will be held across the street from the rescue squad building or, if the weather is bad, at the high school.

The main speaker will be Jim McMillen, former mayor of the village, and the master of ceremonies will be William E. Brook, chairman of the village's Bicentennial Commission.

Other dignitaries are being invited, according to committee members Gus Costoff, Dr. Al Bucar and Mayor Robert C. Wilton.

The Antioch High School band will provide music and the committee is encouraging everyone in the village to attend and come dressed in a bicentennial costume.

"We'd also like them to come by horse and buggy if they want to," Costoff said.

2 Places Hit By Burglars

Two burglaries are being investigated by local police.

One was discovered Sunday morning when an employee reported for work at the Kentucky Fried Chicken restaurant at Rts. 59 and 173.

He told police that the restaurant's office was broken

into and a strongbox broken open. An estimated \$450 to \$500 was missing.

Police said they checked the building and couldn't discover how the burglar broke in. He apparently exited by a back door.

Police said they assume the

culprit entered the ladies room during store hours and hid in a false ceiling until after closing time. He then got into the office by kicking in a door.

Ivan Reague of 633 Drom Ct. reported a break-in at his home sometime last Wednesday. He returned from work to find that someone had entered by breaking glass in a door. The kitchen, basement and living room had been ransacked. Among the many items missing were a TV set, a coin collection, two silver servings, credit cards, check books and checks.

In another matter, Antioch High School reported vandalism to three of its school buses last Friday. Bus windows had been damaged, apparently with a hammer.

uses the metric system exclusively nor is in the process of officially adopting it.

The quaint English system we use is being abandoned even by the English, who began the switch to metric in 1965. Canada, one of our major trading partners, began the metric switch this year.

Although Congress has yet to take definite steps toward metrication of the U.S., several American firms have decided on their own to convert. Seven-Up began distribution of liter and half-liter containers in Minnesota and Florida. The U.S. wine industry will be converted to metric by 1979. Major auto makers, as well as Caterpillar, IBM, Sears & Roebuck and Dow Corning are among the industrial firms converting.

Dual measurements can be found today on American dress patterns, and canned goods -- and even on road signs in Ohio.

But there is plenty of grumbling from adults about the change. State education office personnel got an earful recently at their State Fair exhibit featuring metric education. Workers reported that while many schoolchildren recognized the metric materials and were even enthusiastic about them, their parents were decidedly reluctant.

For those of us who grew tall by the inch and heavy by the pound, the metric system seems a tight mental girdle.

We don't want to put our foot (pardon the expression) in our mouth, but it isn't going to be easy for the Chicago Bears to decide what to do when they have a third down situation with two meters to go.

And how is a guy supposed to tell his girl that he loves her "a hectoliter, a dekaliter and a hug around the neck?"

Cancer Society Meets Its Goal

"The American Cancer Society, Lake County Unit, has scored another victory," says Thaddeus M. Bond, Waukegan, 1975 Unit Crusade Chairman.

The announcement was made upon completion of the Unit's Crusade year. Bond reported that a record \$251,053 was raised -- an increase of \$18,597 over 1974. This marks the 31st consecutive year the Lake County Unit has met its goal.

Mrs. William Brook (Janet), residential chairman, announced the results for the Antioch area. With a \$12,000 goal in Antioch, Mrs. Brook, along with the help of Mr. Preston Reckers, independent business chairman, took charge of the fund raising and life-saving efforts. Many volunteers joined in the Crusade, and together, they exceeded the goal by raising \$12,092.

The money will go to the American Cancer Society for programs in research, education and service.

THERE WILL be a patriotic ring to many school activities this coming year. Even the school lunchroom will be dishing out history.

A project sponsored by the Department of Agriculture hopes to add a dash of history to the menu.

Menus to be featured include "President's Table," with Chicken Mt. Vernon, Martha's Mashed Potatoes, Salad Monticello, Lincoln Log and Dolly's Fruit Pudding; and "Immigrant Special," with Mexican Tamale Pie, German Coleslaw, Greek Ambrosia, and Irish Bread.

Another monthly menu, called "Industrial Revolution," features Wall Street Bearish Steak, Blue Collar Potatoes, Capitalist's Coleslaw, Nuts and Bolts Mixed Vegetables, Union Roll, and Gold Bar.

Kicking off the project will be the All-American lunch, served during National School Lunch Week Oct. 12-18. "All-American" means cheeseburger and french fries.

Banners will be awarded to schools participating in the bicentennial lunches.

Maybe medals should be awarded to the students who eat them.

Awards Night Honors Little League Stars

Antioch's young baseball stars received their trophies for another successful season last Wednesday when the annual Little League Awards Night was held at the high school.

First and second place trophies were presented to the top players and teams in the Little League, Minor League and Babe Ruth League.

League President Bernie Gutowski introduced the guest speaker for the evening, Bill Madlock, league-leading hitter for the Chicago Cubs.

The program began with introductions of the Little League tournament team, Waukegan Bronco tournament team and Minor League team winners.

The Minor League division champs were the Cardinals, managed by Denny Horton; and the Reds were the league champions, managed by Tom Haviland.

Mayor Robert C. Wilton presents the Manager of the Year trophy to William Naumann manager of the Little League winning Cardinals, sponsored by Ray Anderson Auto Sales.

The Round Robin trophy, also presented by Mayor Wilton, was won by the Cubs, managed by Jack Christensen and sponsored by Rittenhouse & Embree Lumber Co.

Trophies were presented to the first place winners, the Little League Cardinals, and a second place trophy to the State Bank Tigers, managed by Milo Bailey.

Babe Ruth winners were the Medics, sponsored by Antioch Drugs, and second was the State Bank team managed by Ron

Giebelhaus.

Gutowski thanked everyone who helped the leagues during the year, especially Nancy

Berchtold and all the mothers who worked in the concession stand.

Winners of the beef raffle

were Carl Fischer, Jen Osmond and Russ Lehn.

Madlock then took the floor and the youngsters fired questions at him before collecting autographs.

"FIRE!"

One starts every
45 seconds

A fire breaks out in an American home every 45 seconds.

Tragically, many families who have fires don't have adequate home-owners insurance.

Building costs are one reason—they're 50 per cent. higher than a few years ago.

Make sure your insurance covers your home at today's higher prices.

Review your insurance with your Country Companies agent. There's a good chance he can save you some money with coverage from Country Mutual.

Along the way with ANNIE MAE

Hear tell there are lots of enthusiastic newcomers to the grade school junior band program. Just think of the fantastic marching and symphonic bands the high school will have in a few years!

Congrats to Furlan's Dug-Out Ladies Softball team who took first place in the Zion tournament last Sunday. There's a few fat lips and patched up knees, limps, lots of groaning - however I hear Murphy made a super catch and Foeie was up to her old tricks at the bat.

Jerry Smouse spent 2½ weeks travelling through Missouri, Texas, Arizona, New Mexico, Utah and Colorado on a

the SOVEREIGN STATE of AFFAIRS

motorcycle. All in all he covered 4500 miles making lots of acquaintances and taking in some marvelous scenery. I guess his biggest complaint is that his face is peeling like mad.

Another girl, Jeri Jayne, was born to Penny and Jerry Soulak on August 27. The little lady was born in Condell Hospital and weighed in at 7 lbs. 9 oz. and was 20 in. long. Grandparents are Mrs. Mary Soulak of Trevor and Mr. and Mrs. Carl Jurgansen of Antioch. This makes five girls for the Soulaks. Wow Jer, you better get some long ladders - that's a lot of weddings!

Antioch Little League youngsters were presented with their awards last Wednesday evening by Bill Madlock, third baseman for the Chicago Cubs. He is also the leading batter for the National League with a .362 average. After a few opening remarks the kids were able to take part in a question and

answer session about their favorite teams and players.

HAZEL AND LAUREL Van patten celebrated their 40th wedding anniversary last Saturday evening with a party at the Moose Club in Antioch. All of their grandchildren were dressed in red for the Ruby occasion.

Best wishes to Mary and Keith Church who were married last Saturday at St. Peter's. Following the ceremony, a lovely reception was held at the Bristol Oaks Country Club.

Hurry up and get well Lars - sure did miss your dancing shoes!

The Lake Region Homemakers are really excited about their quilting blocks that will be displayed next year in the Dolly Madison House in Washington D.C. The 28 blocks, illustrating this great lady's personality or special events in her life, are all individually framed and will be on display in the Antioch Library beginning Wednesday, Sept. 24 through the 27th. Phyllis McMillen's Dolly Madison doll will also be on display. Lots of beautiful work by these gals - be sure to get in to see it.

MARY MAYER, one of the outstanding honor students at Antioch High School in 1974-75, has enrolled at Marquette University where she is studying surgical nursing.

Remember, Antioch High School's tennis courts are available to the public when not being used by the school. This

fall girls P.E. classes will use them during the school day. The girls' tennis team and G.A.A. will occupy the courts after school until 5:30 p.m.

Willy and Cindee Arduino of Norshore Resort celebrated their first wedding anniversary on Monday. A fine young couple and a welcome addition to the community.

Oops, forgot to wish John Estep birthday wishes as he celebrated on the 15th. Hope it was a happy one.

Birthday greetings to Arnie Weber and Gred Huber on the 17th, to Jerry Drije and Pearl Davis on the 19th, to Linda Kasik, Peg Harrison and Loretta Mansbridge on the 20th, to Paul Pape on the 21st, and to Jean Madsen and Natalie Burdick on the 23rd.

Anniversary congrats to Marie and Tony Grigoris and Elizabeth and Ray Jenssen on the 20th. Frank and Willie Toals will celebrate No. 25 on the 27th.

Hear tell plans are in the making for the Emmons Ice Cream Social to be held on Friday, Sept. 26, from 6 to 9 p.m. A plant boutique will also be open. Be sure to mark your calendar now!

See ya,
Annie Mae

AARP Meets Again Sept. 23

The next meeting of the Antioch chapter of the American Association for Retired Persons will be held Tuesday, Sept. 23, at St. Peter's social center.

President Nicholas Ibach said that games will be played and coffee and cake will be served.

On Nov. 19 the group is planning a trip to Marengo for a broiled chicken dinner and a show. Lucille Knudsen, entertainment chairman, is in charge of arrangements.

Sequoit VFW Auxiliary

At the Sequoit Auxiliary's Sept. 8 meeting, Mrs. John Quincy Adams, a member from Stevens Point, Wis., transferred into the Antioch auxiliary.

The applications for membership were voted on. They were Mrs. Otto Hanke and Mrs. Clifford Johnson. The date for their initiation will be set later.

Membership dues for 1976 are now payable and the group is working for 100 percent membership by Dec. 1 to receive an award from the state president.

Hospital chairman Myra Randall reported that Downey hospital is in need of volunteer workers.

The next regular meeting will be Monday, Oct. 13, at 8 p.m.

Mr. and Mrs. Richard Luszcak

Regina Kay Dickerson Weds Richard Luszcak

Mr. and Mrs. Richard Lewis Luszcak are making their home in Antioch following an Aug. 30 wedding and a honeymoon trip touring Canada.

The bride is the former Regina Kay Dickerson of Zion. Her parents are Mr. and Mrs. Stacy Dickerson of that city.

Richard is the son of Mr. and Mrs. Walter Luszcak of Rt. 4, Box 539, Antioch.

Their nuptial mass took place at 3 p.m. Aug. 30 at St. Peter's Catholic Church. They were joined in marriage by Rev. Robert F. Melcher.

Walter Luszcak Jr., the groom's brother, was best man and Mrs. Larry Lindelof Jr. of Waukegan, the bride's sister, was the matron of honor.

Bridesmaids were Mrs. Gary Dickerson and Mrs. Gary Ellis. The groomsmen were Mr. Bernie Gunty Jr. and Mr. Gary Dickerson, the bride's brother. Ushers were Mr. Jack Zubor Jr. and Mr. Bob Zubor.

The bride attended Zion-Benton High School and LaSalle Extension University in Chicago. Mr. Luszcak graduated from Central High School in Paddock Lake, served in the navy for four years and attended the College of Lake County.

The reception was held at Archdale's Restaurant in Waukegan.

Youth Bowling Begins

The 1975-76 Youth Bowling Program at Antioch Bowling Lanes will start Saturday. Children of all ages are invited to join in the fun of league bowling each week.

Last year more than 200 youngsters participated in the program and more may sign up this year.

There are three divisions: the majors, ages 16-18; juniors, ages 13-15; and preps, ages 8-12. Openings are available in all age divisions.

Coaching is provided by capable bowlers, so the children do not have to be experienced. Trophies are awarded in many categories at a banquet held at the end of the season. Each team is sponsored by local businesses and bowling shirts are provided.

Pre-registration forms are available now at Antioch Bowl and it is appreciated if these are filled out prior to the first day of bowling on Saturday.

Parents with questions are invited to contact Jeannine Leonhart, youth bowling coordinator, at 395-1155 or 395-5499.

Gloria Grippando Earns New Degree

Dr. Gloria Grippando, College of Lake County licensed practical nursing program coordinator, has received a degree in curriculum development and instruction at the higher education level from Nova University in Ft. Lauderdale, Fla.

Dr. Grippando is the first in her Chicago-area class to finish the extension degree program, part of a national program for

community college faculty and administrators.

She previously earned B.A. and M.A. degrees from DePaul University and a degree in Registered Nursing from Loyola University. In addition to her duties at the college, she serves as consulting editor for Delmar Publications in Albany, N.Y.

She lives in Antioch with her husband, James, and three children.

"I'll have the executive's lunch, but skip the olive."

Golfers Beat Wauconda

The Antioch High School golf squad began competition last week at Spring Valley with a 182-198 victory over Wauconda.

The Sequoit varsity was paced by juniors Pat Houghton and Jim Christiansen, who shot 44s. They were followed by sophomore Keith Rezin - 48; and freshman Chuck Gleason - 49.

The Sequoit Jayvees posted a 185-219 victory. Medalist was sophomore Steve Hartokolis who fired a 42 on the Spring Valley back nine.

In an earlier meeting with Mundelein at Countryside C.C., the Sequoits lost by two strokes at the varsity level and only four strokes in Jayvee competition. Antioch's Pat Houghton and Chuck Gleason each shot 42

with Del Gorski and Keith Rezin following with 43s. Freshman Bob Sertic also shot 47.

The Sequoit junior varsity lost 182-186 as Bob Walsh shot 42 and Bob Masenbeny 46.

Chamber To Meet Sept. 30

A general membership meeting of the Antioch Chamber of Commerce and Industry will be held Tuesday noon, Sept. 30., at a local restaurant.

It will be a joint meeting with the Antioch Jaycees, and guests are welcome.

The program will be a film, "The Day Business Stood Still," and a discussion of the vocational program at Antioch High School by Superintendent Warren Polley and Adrian Mueller.

Reservations for the meeting should be made with the Chamber office, 395-3381, by next Wednesday, Sept. 24.

The Chamber is thinking of sponsoring an "Octoberfest" in the fall of 1976 and needs persons interested in helping to plan and organize the event. Volunteers should contact the Chamber office.

Oakland PTO Meets Monday

There will be a meeting of the Oakland Grade School PTO on Monday, Sept. 22, at 7:30 p.m.

The program will include the start of a membership drive, introduction of new teachers; and a talk by Superintendent Henry Meyer regarding the upcoming referendum. It will be followed by a question and answer period. The public is invited.

Astro- Analysis

By Sonia

ARIES [March 21 - April 19] — As domestic problems become less important when weeks ends, things are worked out in a more favorable fashion. Maintaining a lively pace with varied outside interests assures.

TAURUS [April 20 - May 20] — Making erratic decisions doesn't get the job done; not a time to be whimsical. Use your best judgment when considering plans that involve making significant changes.

GEMINI [May 21 - June 21] — Acting independently is more rewarding but you can still use some advice from one who is experienced. Your creative urges should not be ignored. Cultivate good ideas.

CANCER [June 22 - July 21] — Duties and responsibilities are not as pronounced as a new trend sets in. New plans can add perspective and added meaning to present lifestyle. Set some fresh goals.

LEO [July 22 - August 21] — Self interests seem to take precedence but reserve some time to include close associates with your activities. A good time to establish a more solid foundation for the future.

VIRGO [August 22 - September 22] — You may get a brainstorm which seems too unconventional but get another opinion before dismissing the idea. If you can establish order and efficiency more is accomplished.

LIBRA [September 23 - October 22] — Unexpected financial obligations may crop up so set aside extra funds for future emergencies. Guarding personal resources should be an important factor in personal interests now.

SCORPIO [October 23 - November 21] — Others may see you in an entirely different light as decided changes influence your personality. Try to keep things running smoothly.

SAGITTARIUS [November 22 - December 20] — Being able to overlook small aggravations is one of your best qualities now. Keep things on a higher level, working in a constructive manner to promote self interests.

CAPRICORN [December 21 - January 20] — Don't resent authoritative forces; use an added surge of energy to impress superiors with your know-how and skills.

AQUARIUS [January 21 - February 19] — You may be attracted to one who is completely opposite you in business and personal interests. Play it by ear and let the other person make the first move.

PISCES [February 20 - March 20] — You benefit best by being selective with associates; trust only close confidants with personal matters. A professional person can be the best bet for giving an unbiased opinion.

St. Peter's Group Changes Its Name

St. Peter's Women's Club, formerly St. Peter's Altar and Rosary Society, has held its first meeting of the 1975-76 schedule.

Not only did the group change its name, but it is changing the meeting night to the first Tuesday of the month, beginning Oct. 7.

All women of the parish are invited to join.

Fr. Johnson announced that renovation of the church hall is in progress. If completed by Oct. 7, the meeting will be held there.

Profits of about \$400 were

realized from the July Bake Sale and were sent to the Sisters of Techny to be used in their work with the aged.

Profits from the Rummage Sale of \$1,318, the Salad Bar Luncheon of \$820, and the September Bake Sale of \$167 were also announced. The money will be used for various needs in the church and school.

Sept. 21, at the 8 a.m. Mass, is St. Peter's Women's Club Communion Sunday. Those wishing to attend the breakfast following the Mass are asked to contact Vi Cobb as soon as possible at 395-0920 for reservations.

"I'm afraid he's right, my dear. You do make a wretched martini."

Homemakers Meet Sept. 24

The Lake Region Homemaker Extension of University of Illinois will resume its meetings Wednesday, Sept. 24 at 7:30 p.m.

The meeting will be in the First National Bank's hospitality room. A lesson of the uses of crock pots and blenders will be presented by Esther Hamlin.

During the summer months many of the women have been meeting at Mrs. Ann Connors' home, sewing for the club's annual style show Oct. 22.

Another project has been preparation for the Lake County's Homemaker Hobby Show in November.

The organization welcomes new members. For information, phone Mrs. Marion Rhode, 395-5609.

Turkey Dinner

The Women of St. Ignatius Episcopal Church will hold their annual turkey dinner on Wednesday, Oct. 8.

It will be held in the parish hall, 983 Main St., and dinner will be served from 5 p.m. until 7 p.m.

Tickets can be purchased at door; adults \$3.50 and \$1 for children under 12.

Ice Cream Social Planned

Emmons Grade School will hold its annual Ice Cream Social on Friday, Sept. 26, from 6 to 9 p.m.

Tickets are 50c and include choice of cake, ice cream and beverage. The tickets can be obtained from Emmons students, at the school office, or at the door on the 26th.

This year's event will feature a plant boutique with macrame plant hangers and more than 200 plants.

Women of The Moose

Antioch's chapter meeting of the Women of the Moose will be held Oct. 9, so that the officers and other co-workers can attend a convention in Peoria.

Fifty women attended the September chapter night program and heard a program presented by Toni Blair and Marjorie Kohls, who spoke on behalf of the Rape Crisis Force of Lake County.

New candidates, Florence Donnelly and Joyce Siems were enrolled. Betty Schulmeister received her chapter pin and Dorothy Ottenstroer won "Share the Pot."

Oakwood Knolls News Officers Are Elected

By JEANNINE LEONHART

Now that summer is over, so they say, and all the kids are back in school, it's time to get caught up with the last several weeks.

At the Aug. 27 meeting of the Oakwood Knolls Property Owners Association officers for the 1975-76 year were elected.

Newly elected officers include Bob Olson, president; Ken Jandula, vice president; Sue Ploughman, secretary, and Judy Phillips, treasurer.

Board member Ed Johnston was re-elected to a two year term and Tim Hynes was elected to succeed Ken Jandula as a director. All the officers promised a year of hard work and development for the association. Congratulations were rendered to outgoing President Bob Johnson and his corps of officers for a job well done.

SUE PLOUGHMAN volunteered again to chair the committee for the Halloween celebration and promised an exciting day for children of all ages.

Jeannine Leonhart was named chairman for the spring dance which will have a

Bicentennial theme. A tentative date of Apr. 24 has been planned.

Association members are encouraged to attend these meetings. There are many vital and important subjects to be discussed in the next several months. Plan now to attend the Sept. 24 meeting.

JUDY AND George Phillips enjoyed a trip to central Wisconsin over the Labor Day weekend, celebrating their anniversary. The weather did not cooperate with their flying plans, so they drove to Madison where they enjoyed seeing the evening view of Capitol Square. They went on to Dodgeville and Spring Green, where they visited the House on the Rock. Fortunately, they were early enough that the crowds hadn't quite formed. The tour through the house was very impressive and the Phillips recommend it to everyone.

Several neighborhood residents have celebrated birthdays and anniversaries since the last article. They include: Tim Staples, Aug. 21; Scott Frasch, Sept. 1; Steve Phillips, Aug. 20; Ramona Pyzyna, Sept. 7; Chuck Mazzio, Aug. 28; Joe Pittman,

Aug. 31; and George Dilloo, Aug. 20.

Ed and Lottie Vejvoda celebrated a wedding anniversary on Aug. 27 and George and Judy Phillips on Aug. 30. A belated greeting to all of you and many more best wishes.

We would like to add a special welcome to several new families who have moved into Oakwood Knolls. Our new residents are Mr. and Mrs. Frank Leben, Mr. and Mrs. Gary O'Reilly, Mr. and Mrs. Leon Pauly, and Mr. and Mrs. Please turn to page 16

**MANDATORY BAGGAGE
IDENTIFICATION** - Effective
Sunday, Sept. 21, all passengers
will be required to have exterior

baggage.

This is an order by the Civil

The whole program is
designed to cut baggage loss

been a big problem in the past
and, if you have ever been

THE AIRLINES are begin-

First National Bank Begins Celebration

Monday was "Anniversary Day" for The First National Bank of Antioch.

Officers and employees, dressed in traditional Bicentennial costume, raised their 13 star flag in front of the main bank honoring our country's 200th anniversary.

The First National Bank is also celebrating its own 50th anniversary in 1976 with a bit of nostalgia displayed in the bank lobby.

A 1926 Model T Ford alongside a 1976 Ford Mustang II depicts the 50 years of the bank's history.

The famous collage of Antioch on the east wall of the lobby will also serve to bring back memories to many Antioch residents. The bank will be sponsoring other special and spectacular events throughout the year, President LaVerne M. Woods said.

Bicentennial costumes, hand-made by Carolyn Van Patten of The First National Bank, Marge Erickson of Erickson's Sewing Center, and other bank employees, will be the traditional dress for the officers and employees of the bank this weekend and continuing each weekend through the year, including national holidays.

The bank invites all of its friends and neighbors to join in celebrating the bank's anniversary, as well as our country's, by stopping in to see a bit of yesteryear at The First National Bank of Antioch, Mr. Woods said.

Selective Service System Still Applies

The law which requires young men to register with the Selective Service System is still in full force and effect.

William H. Seemann, Dean of Boys at Antioch High School, said that "for many years, young men were required to register within a few days of their 18th birthday. The registration procedures were changed this year. Now, instead of registering within a few days of your 18th birthday, you will be required to register during a single annual registration period."

After Apr. 1 of this year, no one will be registered during the remainder of 1975. The first annual registration will be conducted during a few days in early 1976. The plans for annual registration are not yet complete. Therefore, the actual dates will not be announced until late in 1975.

At that time, a Presidential proclamation will announce a new registration procedure. A nationwide publicity campaign will be launched simultaneously to inform young men of the dates of the annual registration. News media will have information on places where they can register.

"Remember," Seemann said, "the law still requires all 18-year-old men to register with Selective Service. Only the procedures are being changed. If you were born in 1957, or earlier, and did not register on or before Apr. 1, 1975, you are in the age group which will register in the first annual registration period. If you did register before Apr. 1, 1975, you

DRIVE-IN BANKING was carried to an extreme at the First National Bank Monday. A 1926 Ford and a 1976 Ford were driven right inside as

employees celebrated the bank's 50th anniversary. They also dressed in 1776 costumes in recognition of the nation's 200th birthday.

Lake Villa Offered Money for Sewers

The Illinois Environmental Protection Agency has offered \$33,800 to the village of Lake Villa to do a preliminary report on sewer system needs.

The total cost of this project is estimated to be \$45,000. Based on this figure, Lake Villa will provide 25 percent, or \$11,200, according to Dr. Richard H. Briceland, director of the Illinois EPA.

"The grant program will make more than \$170 million of state funds available to communities and create about 8,000 new jobs throughout the state in

the next two years. The funds are from an Anti-Pollution Bond Act passed by Illinois voters in 1970," Briceland said.

He continued: "We are offering the grant to Lake Villa in an effort to control water pollution, to improve our environment and to create jobs."

"To receive a grant offer, communities had to submit an

application to the agency. Based on time schedules submitted by the communities, we determined which projects falling within the top 400 on our priority list could begin construction by Dec. 31. We informed these communities that they were candidates for a grant offer," he said.

"Lake Villa then agreed to

Sequoits Lose to Pats, Face Growling Wauconda

Saturday's 2 p.m. football game at the high school field promises to be interesting, to say the least.

Antioch's Sequoits will host Wauconda's Bulldogs, who want to win so bad they are foaming at the mouth.

Wauconda shared the conference title with an 8-1 record last year and was one of the favorites for this year's championship.

But on the first two weekends the Bulldogs were stunned 27-14 by Lake Zurich and then beaten 20-12 by a very strong Grant team, which now has a 2-0 record and battles Cary-Grove Friday night for the conference lead.

AFTER BEING stunned by Stevenson 14-0 last Saturday, Antioch has a 1-1 record and must upset Wauconda to stay in the race.

Even though Wauconda has lost two straight, it will be a 6 to 10-point favorite over Antioch.

In order to score an upset, the Sequoits must get back in the winning mood they displayed so brilliantly when they knocked off Woodstock 20-14 in the opener 11 days ago.

On last Saturday's trip to Stevenson, Antioch couldn't score a touchdown. They played the Pats to a 0-0 deadlock in three of the four quarters, but gave up two touchdowns in the second period and lost by 14-0.

"Stevenson was too blooming big," said Coach Roy Nelson, whose Antioch team has some talent, a lot of fight but not much size.

"THEY RAN power at us," Nelson said, "and with our size

we just couldn't stop them. And, offensively, we couldn't get anything going."

Antioch made eight first downs and reached Stevenson's 10-yard line in the last quarter

but failed to get on the scoreboard.

"Can you beat Wauconda?" Nelson was asked.

Tough question, but the coach replied:

"If we stay healthy. We suffered no injuries at Stevenson. The boys played hard football and didn't give up. They fought continuously."

Some costly Antioch mistakes helped Stevenson get the two touchdowns. There were holding penalties in crucial situations and a personal foul that once gave the Pats the ball on Antioch's seven-yard-line.

Offensively, Antioch's Tim Sheppard rammed for 33 yards in seven carries and quarterback Jon Bodin hit on seven of 18 passes for 71 yards. Chris Boarini caught three of the passes and Dave Moore grabbed two.

NELSON ALSO credited Moore with good blocking and said that Mitch Witt, a basketball player out for football for the first time as a senior, was effective on defense.

"Wauconda will be big and run that power at us just as Stevenson did," Nelson said. "We'll shore up our defense this

week and change them around. We'll just start over."

BEFORE THE season began, sports writers said Wauconda was loaded with experienced talent from last year's co-championship team.

After losing 27-14 to Lake Zurich 11 days ago, a writer said Wauconda had "an overwhelming lack of experience on defense."

Then, after the 20-12 loss to Grant, the Wauconda coach, Fred Loffredo, said:

"We just played a lousy game. We weren't organized. I was disappointed in our offense and we had a poor defensive game."

Forgetting last week's loss to Stevenson, Antioch did beat Woodstock 20-14 in the opener and then Woodstock turned around and beat Grayslake 20-0. Not a bad Woodstock team.

Maybe, just maybe, if Antioch plays as it did against Woodstock, defending co-champion Wauconda will be 0-3 when the sun sets on Saturday.

Cross-Country Is Off and Running

The Antioch High School cross-country team will run Thursday on its home course, Fox River Park in Wilmet, against Cary Grove and Round Lake. The meet will begin at 4:30 p.m.

The Sequoits are fresh from a 26-29 conference victory over Warren. Bob Dubek and John

Kaminski led the way by finishing first and second. Bill Harland was sixth, Dave Walpole seventh and Bill Dubek 10th.

The Antioch sophomores were led by Edison Sankey who placed fifth.

In a six-team meet at Libertyville, earlier, the Se-

quoits placed fourth behind Deerfield, Niles East and Libertyville. They beat out Carmel and Niles North.

Kaminski led Antioch by placing 16th, while Walpole, Bob Dubek and Harland came home 19th, 20th and 21st. Bon Gossman led Antioch in the frosh-soph race, placing 19th.

At Mundelein last Wednesday the Sequoits were outrun by a strong candidate for the county championship, 16-46. Bob Dubek was the first Antioch runner, finishing fifth, while Kaminski was eighth and Walpole 10th.

In the frosh-soph race, Gossman led the way for Antioch by placing fourth with Sankey a close fifth.

Scores 8-6 Win

Antioch High's sophomore football team brought home its first win of the season Saturday, defeating Stevenson 8-6.

The ACHS freshmen also triumphed over the weekend, beating their rivals 8-0.

The Sequoit sophomores gained 189 yards in 41 plays, showing some offensive punch. They marched 60 yards after the opening kickoff but failed to score when they fumbled on the Stevenson five.

Kenn Rosenbrock carried the ball five times for 40 yards in that drive.

Soon after, the sophs marched 64 yards in 14 plays to get their touchdown. Tom Huebner carried eight times for 34 yards, scored the TD and also the two-point conversion.

Antioch coaches said the soph defense was superb, stopping Stevenson several times on key third-down situations. Once they held their rivals four times at the six yard line.

Rosenbrock finished with 124 yards in 15 carries and Huebner with 70 yards in 16 tries.

The sophs host Wauconda here at 12 noon on Saturday, prior to the varsity game.

Harry Stewart 'Right On'

Nearly everyone who entered the Antioch News' football contest last week picked Antioch's Sequoits to beat Stevenson's Patriots.

But Stevenson won 14-0, and the wisest forecaster was Harry Stewart, who predicted that Stevenson would win by exactly 14 points. He said it would be 20-6.

So Harry wins a \$15 gift certificate at Andre's Steak House in Richmond.

THERE WAS a tie for second when both Mike Witt and David Busscher picked Stevenson to beat Antioch by eight points.

Mike's brother, Mitch, plays for the Sequoits and was warned that Antioch was hot after beating Woodstock in its opener.

But Mike told his brother, "You'll have to prove it to me."

Since Mike picked Houston to beat the Chicago Bears in the tie-breaker, and David Busscher picked the Bears, Mike wins second prize - a \$10 gift certificate at Gibbs and Jenssen's Carousel.

DAVID WILL receive third prize - a \$5 gift certificate at the Piggy Bank Discount Store.

Another football contest appears in today's Antioch News

and, once again, the prizes are \$15, \$10 and \$5 gift certificates.

It's easy to enter. Just fill out the blank and get it to us (or have it postmarked) prior to the kickoff.

Speedway Ends Year, Gives Awards

Tom Jones won a race-long duel with Ray Young at Waukegan Speedway Sunday afternoon in the special Carling "City Series" 50-lapper.

Following the races, Jones and hobby driver Jim Naset were crowned champions of the late model and hobby divisions respectively in trackside ceremonies. Sunday's races were the last at Waukegan this year.

Ron Parker took the feature lead for three laps before Young squeezed in front with Jones right behind.

Jones pulled even with Young on the 19th and the 28th laps before taking the lead for good in the 32nd lap. Young stayed close behind to the finish as the two sliced through lapped cars.

Carl Major, the runner-up in the point standings, blew his engine in warm-ups and sat on the sidelines during the afternoon races. Phil Mass, who received the "Hard-Luck" award, also blew an engine. Bill Anderson, owner of Car No. 52, won the "Perfect Attendance" award.

Other special late model awards went to Ron Parker as "Most Improved Driver," Jones as "Most Popular" and 18 year old Hal Davis as "Rookie of the Year."

Paul Horst and Al Banek were the big winners Saturday night before a chilled crowd.

Horst topped the 20-lap feature for the hobby cars in the variety program and Banek smashed his way to his second straight demolition derby win. Sue Winnett won the powder puff derby and Bill Jones Sr. won the final "Beat-Your-Neighbor" races.

TRAP SHOOTERS of all ages and varying abilities participated in Sunday's second annual Lions Club Safari Shoot at the Northern Illinois Conservation Club. The day-long event featured contests for new shooters and experts, and the

prize list included chickens, ducks, turkeys, hams and merchandise awards. William E. Brook, one of the officials, estimated the event attracted about 500 persons.

Season Championship Race at Lake Geneva

Tom Jones of Northbrook won the 30-lap feature for late model stock cars at Lake Geneva Raceway last Saturday after recording fast time in qualifying and starting in the back of the 16 car field. He missed a clean sweep when he finished second in the 10-lap heat race won by Danny Darnell of Deerfield.

Jones will return for the season championship this Saturday night and attempt to earn one of the eight starting positions to be filled by time trials.

The top 10 drivers in point standings are assured a starting spot regardless of their time

trial speed. Among those assured starting spots are point leader Al Schill of Franklin, Jack Ester of Antioch and Joe Torri of Lake Villa.

CLC Basketball Team Gets Antioch Stars

Four members of last winter's championship basketball team at Antioch High

School will be trying out for the College of Lake County team starting Oct. 15.

They are Mike Witt, Kevin Walpole, Bruce Tossey and Russ Albano.

They will be joining Mike Gutowski, a star of Antioch's 1973-74 team. Mike was a regular for the college of Lake County as a freshman last season.

IRA Title To Colburn

Dick Colburn clinched the IRA (Interstate Racing Assn.) driving title for super modified cars last Saturday at Wilmet Speedway as he won his heat race and came back to win the special 30-lap feature in a hard-fought duel with Carmen Manzano of Antioch.

The Muskego, Wis., fireman moved up rapidly to challenge Manzano, who had jumped to an early lead from a second-row starting position. But Manzano held on tenaciously. With only two laps remaining, Colburn made his move as the two speeding racers lapped slower cars.

Colburn dropped inside and eased past a slower car and Manzano was forced to slow and then follow him. And Colburn had the advantage of running with a brand new engine in his machine, so once he got in front he had the power to hold Manzano off for the final run for the checkered flag.

The semi-feature race was a

Antioch Airman Goes to Montana

Sheppard Air Force Base in Texas has announced the graduation of Airman Ronald J. Long of Antioch from the U.S. Air Force heating systems course.

Airman Long, son of Mr. and Mrs. Richard L. Long Sr., Rt. 3, Antioch, was trained to repair and maintain fuel burning and hot water systems. Completion of the course enables him to receive academic credits from the Community College of the Air Force. He is being assigned to Malmstrom AFB, Mont.

Ronald graduated in 1973 from Antioch High School. The airman's wife, Deborah, is the daughter of Mrs. Mary Wells of 545 Prince St., Negaunee, Mich.

Jehovah's Witnesses Invite Public

The Spring Grove Congregation of Jehovah's Witnesses plans a special week of Bible training and discussion Sept. 23-28.

The week will include a talk titled, "Precious to God Are the Loyal Ones," to be delivered at 9:30 Sunday morning, Sept. 28. It will be given by D. H. Ciranko, a traveling minister of the Watchtower Society.

The public has been invited to Kingdom Hall on West Main St. in Spring Grove.

Drug Abuse Group Steps Up Programs

The Lake Region Chapter on Alcohol and Drug Abuse has undertaken "an ambitious program of adult education, treatment, rehabilitation and prevention during the coming school year," according to a spokesman for the group.

Members are cooperating with the Lake County Drug Abuse program and the Drug Abuse Council of Illinois to develop one of the most all encompassing community help and education programs in the state. Their stated goals for 1975-76 are:

1. Community adult education programs geared to alert parents to the extent of local drug and alcohol use by young people.
2. Coordinate counselling and social agencies to help parents with problems.
3. Develop a director of all Lake County treatment and rehabilitation resources.
4. Help enhance school counselling capability in the

drug abuse area.

The chapter is scheduling "Adult Awareness Programs" with county schools and civic organizations. If your P.T.A., P.T.O., church or civic group would like to schedule an "Awareness Program" send a card to Box U, Antioch, 60002, or send a representative to the chapter's regular monthly meeting at the State Bank of Antioch. They are held on the fourth Monday of each month at 7:30 p.m.

The chapter has installed new officers and is looking for someone interested in working in the area of stenographic work.

Next Tuesday's meeting will feature a file entitled "Time for Decision." A speaker is planned for the Oct. 27 meeting.

Parents, young people and "Concerned citizens" are welcomed.

What the People Were Buying

By BETSY ROSSEN

Sociologists tell us that much can be discovered about people through their buying habits. If this is true, a look at the advertising of bygone years may be quite revealing.

What were the tastes and interests of the Antioch shopper in 1900? Let's check the issues of the Antioch News from that year - see any bargains?

Sewing machines at \$65 are a thing of the past. "\$14.99 buys a good machine, warranted for 10 years," said J.C. Jame, Jr., who also served as a fire

insurance agent in 1900.

The Antioch Bargain House in the Wilton Block announced a special January sale: woolen underwear had to be sold at any price!

At last an unbreakable side corset entered the fashion scene, as advertised by P.N. Corsets Co. of Chicago. It was constructed to solve the problems of corsets "so rigid as to be uncomfortable to the wearer and injurious to health."

And only \$2.75 bought a beautiful fur-trimmed beaver cloth cape from Sears, Roebuck

& Co. The catalogue company assured folks that the cape was "fine tailored throughout and equal to capes that sell at more than double the price."

Antioch's Webb Bros. clothing store took obvious pride in its goods: "In proper dress, for our coming men of the School of Life, is our special and pleasant calling just now. Lessons in style, in neatness, in economy. Judging from our boys' and children's department, we are the Clothing Teachers of the country."

Lion Coffee, sold by a Toledo company, announced that its strong, pure and flavorful product also featured premiums like a silver mapkin ring, a silk umbrella; a "Knickerbocker" watch, a dress-pin set and a ladies' pen knife.

CURES AND remedies seemed of special interest at the turn of the century, judging from the number of ads on the

subject. The copy of some is surprisingly detailed for such "modest" times.

Catarrh (violent head colds) drew considerable attention from druggists of the day. Even U.S. senators such as North Dakota's W.N. Roach gave an endorsement: "Persuaded by a friend I have used Peruna as a tonic, and I am glad to testify that it has greatly helped me in strength, vigor and appetite. I have been advised by friends that it is remarkably efficacious as a cure for the almost universal complaint of catarrh."

"World's greatest throat remedy" was the claim of Muco-Solvent. It was said to be especially effective on Quinsy; tonsillitis; diphtheria; scarlet, typhoid and malarial fevers; croup; measles; coughs, colds, catarrh and bronchitis. A new book, "Chats with Mother," was available from the company, too.

BETSY ROSSEN

GENERAL blacksmithing was done by Aneus Peterson on Victoria Street. He also did horse-shoeing, woodworking and general repairs.

"A fast seller ... no humbug ... reliable ... clean ... water-proof." That was A-B stove polish, available from "your jobber."

Those were the tastes and preferences of Antioch in 1900, as recorded by the Antioch News.

raucous affair, with Darrell Dodd of Waukegan edging out Bill Repsold of Spring Grove, Ill., after both cars brushed on the back straightaway.

In the late model sportsman

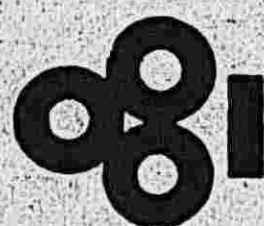

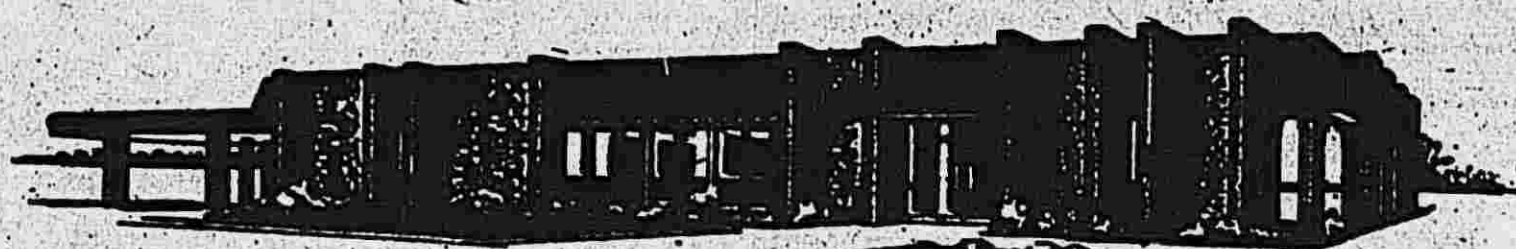

division, Ron Holtdorf of Union Grove, Wis., survived a series of collisions earlier in the evening to take the 15-lap feature event. And rookie driver Dan Hagi of Lake Villa, Ill., won his second semi-feature race of the season.
